RE: Partial Vacation of Wabash Avenue
by Tokheim Corporation

Dear Wayne:

Due to a significant internal reorganization within Tokheim Corporation, a decision has been made not to proceed with the corporate and design center at the Wabash Avenue location.

Accordingly, there will be no need to proceed with the partial vacation of Wabash Avenue.

Therefore, on behalf of Tokheim Corporation I am requesting that the current legislation directed to the partial vacation of Wabash Avenue be withdrawn by the Fort Wayne City Plan Commission.

Additionally, if the original Grant of Easement and Right-of-Way has not been executed by the Board of Public Works and recorded, please cause that document to be returned to me.

Thank you for your assistance. If you have any questions concerning these matters, please give me a call.

Sincerely,

BAKER & DANIELS & SHOAFF

VACATION PETITION #187

A PETITION TO VACATE THE DESCRIBED PORTION OF
PUBLIC ALLEY.

MAP NO. P-6

COUNCILMANIC DISTRICT NO. 1

ZONING:

LAND USE:

- M2 GENERAL INDUSTRY
- M3 HEAVY INDUSTRY
- R2 RESIDENTIAL DISTRICT
- R3 RESIDENTIAL DISTRICT

SCALE: 1"=165'

DATE: 4-7-86

VACATION # 187

Proposal: Gladys Franke, Franke Plating Works, Falstaff, AALCO Distributing, and P.G. Elliott Warehouse & Realty petition for a vacation of a public alley.

General Information:

Location: 900 Block of Grant (east-west alley)

Legal Description: See file

Existing Zoning: D/N/A

Size of Property: Approximately .20 acres

Surrounding Zoning:	North	M2	Industrial
	South	M2	Industrial
	East	M2	Industrial
	West	M2/R3	Residential

Reason for Request: To permit construction of a waste water treatment and processing plant

Applicable Regulations: Public right-of-way is not permitted to be used for private construction

Public Utilities: are available in the area

Physical Characteristics: The immediate area is developed with a mixture of industrial, commercial and residential uses

Planning Staff Discussion:

The vacation of this alley would allow construction of a facility in compliance with certain federal, state, and local environmental and pollution control requirements.

The petitioners represent that they are the owners of all property abutting the petitioned vacation. The north-south alley would not be vacated, which will require a new legal description to be filed. It should also be noted that the petitioners are aware of the presence of certain utilities. They are willing to provide easements and/or relocate those utilities as needed.

Recommendation: Conditional Approval, contingent upon:

- 1) Providing easements and/or relocation of utilities as needed.
- 2) Providing a new legal description which excludes the center of the north-south alley.
